

Application for change of apartments, 2 parties

- A change of apartments must always be approved by us.
- You must have had a rental agreement for at least 1 year, this applies to both exchange parties. In special cases, the change of apartments can be approved even if this requirement is not met, for example in the event of a death in the family or that you have lost your job and do not have the financial ability to pay the rent for your current apartment.
- If the exchange concerns an apartment with another landlord, the application must also be approved by that landlord.
- Attach any documents that support your need for a change of apartment.
- A new tenant must meet our criteria and financial requirements. In connection with the application, we therefore make a credit report.
- If you get a new rental agreement, collected points will be reset to zero.
- Change of apartments only applies between tenements and is not allowed for Youth accommodations.
- Read the full terms and conditions at kalmarhem.se.

YOUR APPLICATION

- E-mail your application to kundservice@kalmarhem.se or send it to Kalmarhem AB, Box 305, 391 23 Kalmar.

TO THINK OF

- An exchange without our permission can lead to you losing your rental agreement, likewise if the approval was based on incorrect information or if financial compensation has occurred.
- Before the exchange takes place, an inspection must be booked, carried out and approved.
- The rental agreements are rewritten with the desired date, provided that the next rent invoicing has not taken place.
- Keys and access tags are handed over at our office at Larmtorget 3, on the day the new rental agreements come into effect.
- From the time we have received a complete application, the processing time is about 3 weeks.
